

Adams Funeral Homes & Crematory

Published Quarterly for the Communities we Graciously Serve

Dear Friends and Neighbors,

With Spring just around the corner (actually March 20, 2012 at 1:14 AM EDT to be exact) its the season for new beginnings. The rebirth of God's wonderful majestic spring beauty!

Tis like the birthday of the world,
 When earth was born in bloom;
 The light is made of many dyes,
 The air is all perfume:
 There's crimson buds, and white
 and blue,
 The very rainbow showers
 Have turned to blossoms where
 they fell,
 And sown the earth with flowers.
 —Thomas Hood

Adams Funeral Homes & Crematory is a full service funeral establishment offering personal, distinctive and affordable services to individuals of all religious faiths. We are dedicated to providing trusted, dignified, caring, and quality service for each family that we have the privilege to serve. At all times, we will show compassion and provide high quality professional service consistent with the family values of Adams Funeral Home.

If you are like most people, you may not know exactly the variety of service options available when making funeral arrangements or when preplanning a funeral. At Adams Funeral Home, we don't just provide a service -- we provide full-service, and we are sure you'll appreciate the difference.

Southern Indiana's ONLY Private and Onsite Crematory owned by a married couple who are both licensed funeral directors and embalmers.

As with traditional services, if your family is considering cremation, it has many ways to celebrate your loved one's life. Many families choose services, visitations, and gatherings that are identical to those of traditional services, while others choose direct cremation. Mark & Leslie can explain the choices and show your family examples of how cremation can be personalized to fit your needs.

And, whatever your needs, at Adams funeral Homes & Crematory, we are dedicated to providing trusted, dignified and quality service for each individual family that we have the privilege to serve. Our crematory facility is ONSITE and PRIVATE. This ensures total peace of mind for your family in knowing your loved one will only be in the care of our family until returned to their final resting place.
